

Boxed Lunch Programs

When a "grab & go" meal is required to meet the demands of first responders, support personnel, employees, or others, Premier Support Services provides Boxed Lunches. These simple, yet filling lunches provide convenience and can boost morale among teams.

Rapid Mobilization

Whether the deployment is short or long term, Premier Support Services can mobilize and provide Boxed Lunch solutions within hours of an activation. Our trained team, custom equipment, infrastructure, and network of best-in-class vendor partners have decades of experience with hundreds of successful support missions.
